

FINCHAMPSTEAD NEEDS YOU

**Are you interested
in the future
of Finchampstead?
Would you like
to influence
that future?**

**Finchampstead is a great place to live
but what do you want it to be like
in 5,10 or 15 years time?
Although at times we may feel
that such things are out of our
hands, there is a way in which
we can have some direct
control over the future
of our community.**

Finchampstead Parish Council wants to produce a **Neighbourhood Development Plan** to map out the future of Finchampstead Parish, to give us all a say on matters such as:

- **Housing**
- **Community facilities and amenities**
- **Business and Retail spaces**
- **Protecting Green Spaces**
- **Environmental and Sustainability issues**
- **Heritage Considerations**

...then help us make a plan to protect it!

A Neighbourhood Development Plan is produced by the community, for the community. Being part of the team pulling it together is a great opportunity to contribute to the future of Finchampstead within the Wokingham Borough Development Plan.

Finchampstead Parish Council is looking for volunteers

We need volunteers with a range of interests and skills to form a group to produce the plan. If you are really interested in helping, or just slightly curious, come and hear more at:
